Dear Sirs

MO/2024/0203 – Chartfield, Guildford Road, Westcott

I refer to this application for the “Erection of 2 No. solar canopy outbuildings” and write in my capacity as the lead for planning matters for Westcott Village Association (WVA).

I confirm that WVA has been in dialogue with the applicant to share concerns about the level of information contained in this application, particularly a lack of detail in relation to the size, design, materials and appearance of the outbuildings.

The applicant kindly prepared the attached supplementary information which was sent to WVA on 22 February 2024 and also to MVDC.

To date MVDC has not uploaded this supplementary information onto the planning portal.

I can confirm that this supplementary information has alleviated WVA's earlier concerns and that we would raise no objection to this application on this basis.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'James Leaver', written in a cursive style.

James Leaver

Planning Lead, Westcott Village Association
